"We would like to bring a new academic team that will ensure the students become a resource of change leaders in business performance to improve the livelihood of the local people and assist in the economic growth of Pakistan / Africa. As the Ex-Vice Principal of one of the UK top 10 vocational institutes delivering strategically planning and delivery programs from short courses to masters degrees, we would love to bring the same quality of delivery to our new institute and the passion to help our learners achieve practical skills and academic knowledge needed for effective work."

**- Dr Mike Dillon - International Principal (FRIES)
CEO (Institute of Productivity)**

"In my appointment to this auspicious organization, & Foundation. I am delighted to say how pleased I am that such a structure has been formed to be of benefit to the people of Pakistan and Africa, not only in foreign links outside the country but by trying to show the people that entitles do care and will strive for "NO CORRUPTION, NO CRIMINALITY AND TOTAL TRANSPARENCY" equally commercially, politically and socially. I look forward to progress from the foundations which have been laid down over many years."

**- Sir Leslie R Angell
Vice President (Global Learning Trust)
Minister of Foreign Affairs - World Humanity Commission**

"We are pleased and honored to be able to help students in Pakistan and Africa to improve their employability and career prospects. At the same time, in line with our core philosophy. I believe we are making a significant contribution to the future, social, environmental, and economic development of Pakistan and Africa."
